

Frito Pie

Because there are only two of us, I make individual servings of this dish, but if you're making it to serve family style you could use a 9 inch round or 8x8 pan.

2 servings

25 minutes

Ingredients

1 can Stagg Laredo Chili (or you can use your favorite)

1 bag Fritos

½ cup Shredded cheddar cheese

¼ cup chopped onion

1 cup shredded lettuce

1 tomato chopped

Sour cream

Salsa

Directions

Heat oven to 350°F.

In a microwave safe bowl, heat chili until warmed. Meanwhile place fritos in a shallow layer on the bottom of whatever sort of oven-safe dish you have chosen to use. Top with chili, shredded cheddar, and chopped onion. Bake for about 10 minutes until cheese is melted.

Serve with lettuce, tomato, sour cream and salsa tableside. Feel free to add any other toppings of your choosing, if you like, olives, jalapenos or anything else.
